**TERRY ANANNY: THE MAGIC OF NAIVE ART**

West End Gallery

The West End Gallery presents the seasonal paintings of their most recent artist, Terry Ananny. Growing up in Ontario, Ananny experienced many trips to colourful Quebec villages which were forever etched into her memory. The rich splendor of the often playful work recreates a serene world of youth and simplicity. Each painting captures a magical moment connecting the viewer to our earlier childhood experiences. 1203 Broad St, 388-0093, Mon-Fri 10-5:30; Sat 10-5.
