Dear Mr. Ananny,

In response to your email dated Friday April 1st, 2016, it is with great pleasure Canada Mortgage and Housing Corporation confirm ownership of "Village en hiver", an acrylic on canvas installed at CMHC in 1996.

To this day, the painting has been on display at our National Office headquarters in the link between two of our buildings with a commanding view to our cafeteria.

Over the years, CMHC staff have provided positive comments as to the serenity the subject of the painting evokes thereby creating a calming and peaceful atmosphere. The piece is timeless, appealing and contributing to the well-being of many.

We wish you much success in all your endeavours as it is to our understanding you have applied for an art commission at the new BC Children's Hospital.

Should any additional information be required, please feel free to contact me at your convenience.

Sincerely,

Canada Mortgage and Housing Corporation
